Hey Jordan,

I hope the weekend is off to a great start. I wanted to follow-up on our conversation and let you know Matt and the team will be on the west coast this week for meetings with a couple of strategic parties. I am not sure where your internal conversations stand but if there is interest and we are in a range that makes sense for both parties Matt and team are happy to come by the offices. Let me know if you want to connect tomorrow or Monday.

John
